

## PTA Donations

While we continue to search for creative and meaningful ways to raise money, we also understand that some of our fundraising activities may not suit your interests. However, you may want to help support our school and the PTA. Here is another option...a simple monetary donation.

If you are interested in making a monetary donation, please use this form and send your donation to school marked:

PTA Donations, c/o PTA Treasurer

Thank you for your continued, generous support of the Norrisville Elementary School PTA. We commit to being good stewards of the funds that you entrust to us.
