

## **Norrisville Elementary School teams up with The Mill Stores in our newest Donation Program.**

**Attention Friends in our community. Please join us in our newest program to help our school earn free money! Please fill out the attached form so our school can start earning 1% of your total purchases made at The Mill of Bel Air, The Mill of Whiteford and the Mill of Black Horse stores.**

**If you shop at any of the Mill stores, we simply ask that you set up an account with your information below. It's simple. Just add your name, address and phone number. It's a free program and no credit card information is needed. Ask your friends and family to join too.**

**We will send all the member registration forms in at one time to ensure Norrisville Elementary School receives 1% of your future purchases! This costs you nothing and The Mill Stores will donate money to our school, care of our PTA to use in several different areas as needed. For example: the Fall/Halloween Committee, Gardeners Grove, and Teachers' Appreciation, just to name a few.**

**This is another free and easy way to help our school earn money. Please fill out the form and send it back in to school with your child. Forms are due in before the Thanksgiving break on Thursday, Nov 26<sup>th</sup>. Still have questions or need more information about the program, feel free to call Lauren Rider at The Mill at 410-836-6111 or Tricia Allen at 410-557-7024.**
